SPRING UPDATE 1991

It's been quite a while since anyone has been kept up to date with the progress that's been made since "SICKNESS 88" was released. That's why we're going to try to get a newsletter sent out two or three times a year from now on, to keep you all informed.

After the release of "SICKNESS" in late summer of 1988, SOLITUDE began distributing the tape through the underground tape traders. With the help of NEUROTIC ENTERTAINMENT, the tape soon became one of the most well received demo tapes ever distributed.

SOLITUDE then began to play many shows all over the East Coast, performing with such bands as, SACRED REICH, DARK ANGEL, DEATH, ATROPHY, CELTIC FROST, DEATH ANGEL, FORBIDDEN and many others.

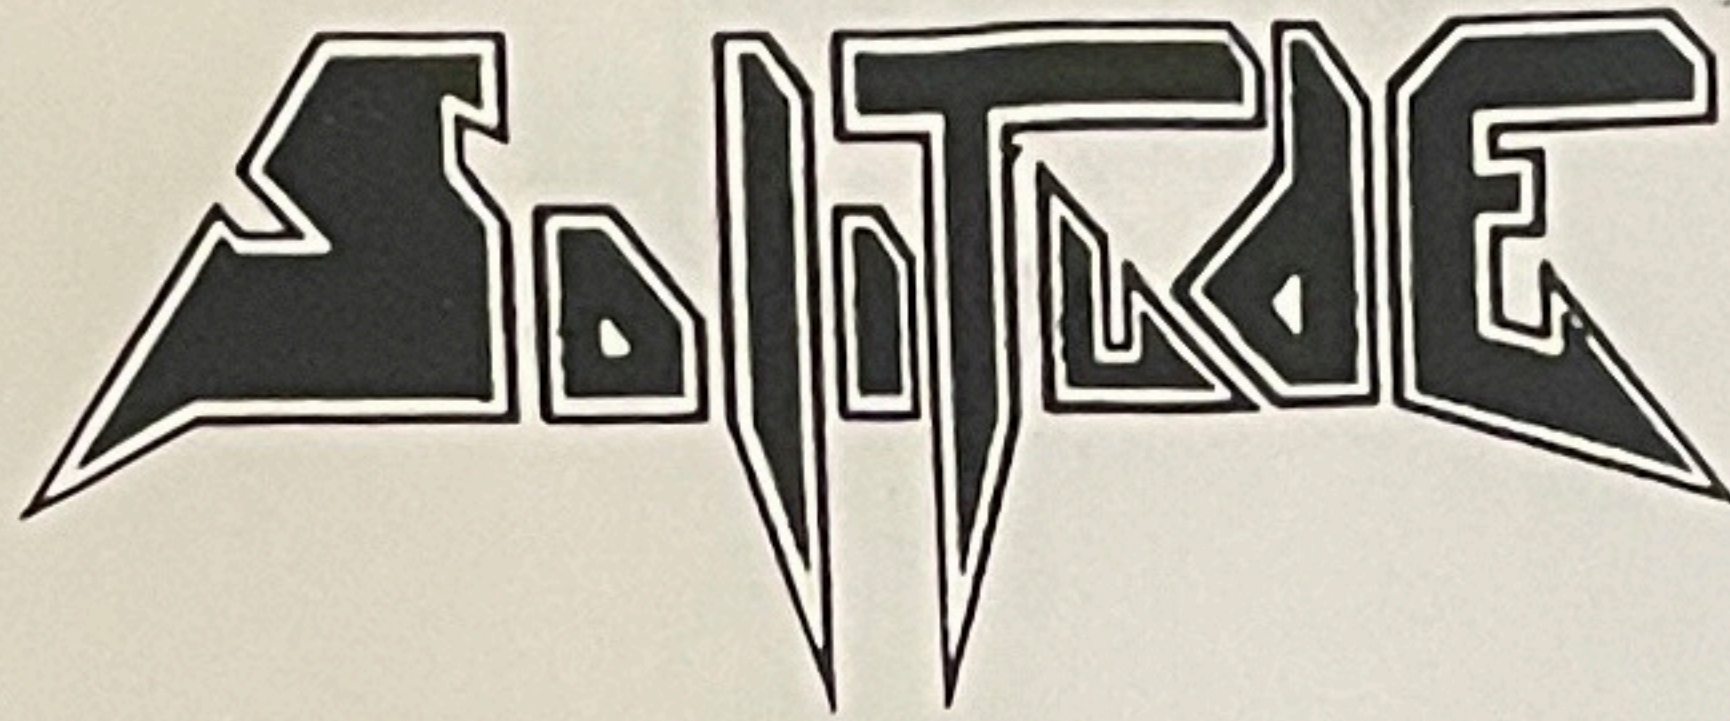

As the popularity of "SICKNESS" grew, METAL BLADE RECORDS became interested and chose the song "TYPHOID MARY" to appear on the tenth installment of the prestigious METAL MASSACRE series. That album was released in the winter of 1990, and is available now.

SOLITUDE also gained the interest of another record label.

ARENA RECORDS, founded by NUCLEAR ASSAULT drummer GLEN EVANS, approached SOLITUDE about a worldwide distribution deal for SICKNESS. To date, nearly 2000 copies of SICKNESS are circulating through the underground.

THE band then continued to play live throughout the Tri State area, and eventually recorded two other demos "WAY OUTTA HAND" and "PLAY UPON WORDS". Although these two tapes were never made available to the public in large numbers, they did keep the band's name alive within the recording industry.

After a split with management company NEUROTIC ENTERTAINMENT, SOLITUDE began writing material for a new demo that this time, was to be released to the public.

That tape, entitled "FALL OF CREATION" is now finished and is available for \$5.00 at the address above.

That brings us to the present. The band now will attempt to find new management, continue to play live throughout the area, and try to attain the recording deal necessary to release a debut album.

In the future we hope to keep you more informed on the bands progress, and hopefully before long, get an album out!

Keep in mind that medium T-SHIRTS are still available for \$10.00. If you'd like to order a tape or a shirt, please use the P.O. BOX above and we'll fill your order as soon as possible.

Till next time keep it heavy!
